11 YEARS of Truck\$ & Buck\$

Pam Ballinger of Cedar Creek won the fourth Toyota Tundra in the Road To Riches Tundra Givaway.

In 1996, the Nebraska Lottery introduced a new Scratch game: Truck\$ & Buck\$. The game soon became a customer favorite as players purchased Truck\$ & Buck\$ tickets for a chance to win a new vehicle. The first truck winner was Mike Firestone of Lincoln, who received a 1997 Ford F-150 Super Cab 4x4 in June 1996. Since then, dozens of Ford, Chevrolet, Dodge and Toyota vehicles have been given away to lucky players.

2007 marks the eleventh anniversary of Truck\$ & Buck\$. Players had the opportunity to win one of three Toyota Tundras as well as \$624,200 in total cash prizes. Each Tundra featured 50 state emissions, 18" alloy wheels, running boards, JBL six speaker AM/FM/CD stereo, keyless entry system, limited slip

differential, front bench seat with 8-way driver – 4-way passenger adjustments, and bedliner. The truck prize was valued at \$44,000, which includes \$1,102 for costs associated with ownership and state and federal withholding paid by the Nebraska Lottery of \$2,200 and \$11,000, respectively.

Nicole Lobato of Hastings claimed the first Tundra prize in the eleventh edition of Truck\$ & Buck\$ on July 25. Lobato purchased her winning Truck\$ & Buck\$ ticket at Midtowne Mart, 1921 West 2nd St. in Hastings. "I never knew how I was going to act if I ever won anything big," said Lobato. "I had to ask about 20 people to actually believe it happened."

The second Tundra was claimed by Michael Franks of Gibbon on August 6. Franks, a regular Nebraska Lottery player and previous winner, purchased his winning Truck\$ & Buck\$ ticket at Foote

Convenience Plaza, 1810 East Hwy 30 in Kearney. During the presentation event, he told Nebraska Lottery officials that he was "excited" and "couldn't believe" that he had won the truck prize.

Kirk Niles of Aurora was the third and final Tundra prize winner. Niles purchased his winning Truck\$ & Buck\$ ticket at the Pump & Pantry, 1304 Q St. in Aurora. Nebraska Lottery officials presented Niles with his prize on August 23. He stated that the first person he told about winning the truck was his father. "I pulled off to the side of the road and called my dad. It was about eight in the morning and I think I woke him up. I couldn't believe it," said Niles.

The odds of winning the top prize in Truck\$ & Buck\$ were 1 in 160,000 while the overall odds of winning any prize were 1 in 3.66.

DID YOU KNOW?

Since the Nebraska Lottery began operations on September 11, 1993, sales have totaled over \$1 billion. Over \$296 million in proceeds has been distributed to Nebraska Lottery beneficiary funds in quarterly transfers.
