THINGS CAN GET BETTER.

HELP FOR PROBLEM GAMBLING IS AVAILABLE.

Gambling can be an enjoyable source of entertainment for many people. But for some people, gambling can be addictive.

Assistance with problem gambling is available from the Nebraska Problem Gamblers Assistance Program. If you decide you could use the help of confidential, professional counseling with a certified problem gambling counselor, the State of Nebraska pays the full cost of counseling for Nebraskans and their families. Working with a trained counselor helped 92% of Nebraska clients reduce their gambling, and 78% reduced their gambling debt.

Removing gambling as a barrier in your life comes in stages:

- **Stage 1:** You still gamble and you want to keep gambling, but it has come to your attention that your gambling is causing problems.
- **Stage 2:** You see that your gambling has a downside, but do not want to have to give it up to make positive changes.
- **Stage 3:** You have taken an honest look at your gambling. You have

talked to people you trust, and decided that gambling needs to take a back seat to things that matter. Gambling has become the center of your life, and you want control back.

- **Stage 4:** You have decided to take action to reduce or stop gambling. You take a hard-nosed look at your gambling. This stage takes time as you plan how you want to address your gambling with actions that work for you.
- **Stage 5:** You make short-term goals of six or more months to maintain success with your goals. You expect to slip up – it is part of meeting your goal. You work hard with the help of family and friends.

You and your counselor can develop **an individual, realistic plan** that includes **safe and comfortable withdrawal** from the gambling behavior **you want to change, motivation** to remember the reason you want to change, the **skills to be successful**, and the methods and strategies for actions **that measure your progress**.

WINNING WAYS

Blair Man Wins \$106,000 Playing Nebraska Pick 5

James Anderson of Blair won \$106,000 playing Nebraska Pick 5 from the Nebraska Lottery.

Anderson purchased his ticket at Kum & Go #360 at 10025 S 168th Ave. in Omaha. The ticket contained a single quick pick play for the October 16 drawing and matched the winning numbers 12, 24, 25, 28 and 32.

While returning from a trip to Vala's Pumpkin Patch in Gretna with his daughter, Anderson decided to make a quick pitstop. It had been months since he bought a Lotto ticket, but since the jackpots were high and he was in a good mood, Anderson decided to pick up five Powerball tickets, five Mega Millions tickets, and a single Nebraska Pick 5 ticket before heading home.

The next morning, Anderson woke up early and poured himself a cup of coffee while he checked his numbers.

"I looked at it and saw I got the first two," he said. "And then I got the next two, and the last one."

Anderson thought he'd better go wake up his wife Mary and tell her he'd won.

"He woke me up and said, 'I think I won the lottery,'" Mary said. "I thought he was just messing with me."

The Andersons are in the process of moving and this will help out with that, they said, but they're also planning to have some fun with their winnings, too.

Between January 29 and February 4, Powerball players will randomly be awarded a free \$4 Powerball Power Play quick pick coupon with Double Play that can be redeemed at any Nebraska Lottery retailer February 5 – 20, 2023. NEBRASKA PICK 5 JACKPOT PROMOTIONS

Jackpots for Nebraska Pick 5 are growing bigger in January and March. During these months, the Nebraska Pick 5 jackpot will increase by \$10,000 each time it is not won, up from \$4,000, so the jackpot will grow faster than before. The increased roll amount will only occur during January and March and will not be a permanent feature of the game.

EFT PRIZE PAYMENT OPTION AVAILABLE

A new convenience is available for Nebraska Lottery winners: deposit of prizes directly to your bank account via electronic funds transfer (EFT). Prizes of \$100,000 or more can be deposited directly into a designated bank account if desired. All that is required is a cancelled check containing a bank routing number and account number. The process will take a few days but eliminates the need to wait for a deposit to clear with a paper warrant. See nelottery.com for details.
