Brian Rockey
Lottery Director

Once again we find ourselves at the end of another calendar year and once again we scratch our heads wondering where the time went? Well, for us, the time has been spent making tweaks, changes and enhancements to our games, processes and point of sale displays. We have created new games. We have revived old games. We celebrated.

September marked our 30th year operating in the state of Nebraska and we did a lap around the state with free t-shirts, coupons and Scratch tickets to hand out to our players. Of course, without our retailer partners, we wouldn't be where we are today and wouldn't be nearly as successful without their collaboration over the years. We thank you.

So what's next? Believe it or not, our Holiday Scratch games will be rolling out along with a bevy of other Scratch tickets in the coming weeks and soon it will be a new year. With that, we will have new goals and new challenges to navigate. With that, we look forward to continuing our work with all our partners.

New Scratch Pack Sizes

Starting in January, the number of tickets in \$10 and \$20 Scratch ticket packs will be changing. \$10 ticket packs will increase to 40 tickets for a total value of \$400. \$20 ticket packs will increase to 30 tickets with a total value of \$600.

The first Scratch games with the new pack sizes will be \$10 High Voltage and \$20 Colossal Crossword. These games are scheduled to launch January 22. There will be a period when games with the old and new pack sizes will both be on sale. \$10 and \$20 games will have a sticker attached to them with the pack value for reference.

30th Anniversary Blitz

If there is one thing we learned in September, it is that Nebraska sure is pretty and there sure is a lot of ground to cover. Lottery employees hit the road starting September 11 to commemorate our 30th anniversary of operating in the state. To do so, we hit as many retailers we could across all four corners of the state in the span of two weeks.

It was a lot of windshield time and we handed out some limited edition 30th Anniversary swag that included t-shirts and koozies to say thank you to players both old and new for sticking with us the past three decades. A special 30th Anniversary Celebration Scratch game was printed and handed out as well; two weeks before it hit shelves. It is now out in retailers. But we are not done celebrating yet.

For our retailers, a special 30th Anniversary coupon was distributed that is good for a single \$5 Scratch ticket or a combination of Scratch tickets totaling \$5. Please enjoy this token of our appreciation for all the work you do with us. The coupons expire November 30.

Nebraska NASCAR Powerball Playoff Contestant Wins \$5,000

Joseph Medina of Franklin was the Nebraska Lottery's finalist for the 2023 NASCAR Powerball Playoff promotion. While he didn't win the grand prize, he is taking home \$5,000.

He advanced from the first round of 15 Nebraska Lottery winners, who each took home \$1,000. Joseph made it to the national

round of 16 semi-finalists from around the country.

On September 16, at the Bass Pro Shops Night Race at Bristol Motor Speedway, broadcasters announced that Joseph had made it to the next round, along with 11 other contestants.

Sadly, he didn't make it through to the next round, but still got to walk away with a \$5,000 prize.

There are still two more rounds of finalists. The next one, to be announced on October 29 at the Xfinity 500, will send four contestants on the grand prize trip.

The winners will travel to Phoenix for a three night stay during the NASCAR Cup Series Championship on November 5. They'll get to attend the race, go behind the scenes at the track and one person out of the four will win \$1 million.

Even though he's out of the running for the grand prize, we're thrilled Joseph got as far as he did.

Retailer Spotlight

There's a crisp autumn chill in the air, the leaves are turning orange and crunchy and Nebraska Lottery retailers are starting to go goblin mode in anticipation of Halloween's arrival.

Every year we're excited to see what our retailers have in store for the season. Sometimes it's spooky, sometimes it's whimsical and folksy, sometimes it's downright terrifying.

This year we'd like to wish a happy Halloween to all our retailers and staff. Thanks for making our games a success and thanks for sharing the Halloween spirit.

Does your store decorate for Halloween? Any other holidays? Send us some photos at sam.craig@nebraska.com and we'll share them on our social media!
